- NO ADVERTISING!

HOME PAGE

The screenshot shows the MedlinePlus home page. At the top is the MedlinePlus logo with the tagline 'Trusted Health Information for You' and the text 'A service of the U.S. National Library of Medicine NIH National Institutes of Health'. Below the logo are links for 'About MedlinePlus', 'Site Map', 'FAQs', 'Contact Us', and a language toggle for 'ESPAÑOL'. A search bar labeled 'Search MedlinePlus' with a 'GO' button is positioned to the right. A large banner features a runner and the text 'Start the year off right MedlinePlus can help you with your exercise & fitness goals'. Below the banner are three green buttons: '→ Health Topics', '→ Drugs & Supplements', and '→ Videos & Cool Tools'. The left sidebar contains a 'MEDICAL DICTIONARY' with a 'GO' button, a 'POPULAR SEARCHES' list (anemia, asthma, COPD, diabetes, etc.), and a 'FEATURED SITE' for 'January is National Radon Action Month'. The main content area has an 'About Your Health' section with filters for 'General', 'Seniors', 'Men', 'Women', and 'Children', followed by a list of health topics like 'Back Pain', 'COPD', 'Depression', etc. The right sidebar includes 'Health News' with a calendar icon for '05 JAN', a 'Stay Connected' email sign-up, and buttons for 'MAGAZINE', 'EASY TO READ', and 'MULTIPLE LANGUAGES'. At the bottom are links for 'Directories', 'Organizations', 'Medical Encyclopedia', and social media links. Two red callouts are present: one on the left pointing to the 'POPULAR SEARCHES' list with the text 'Click here to browse', and one on the right pointing to the search bar with the text 'Type here to search a topic'.

IMPORTANT WARNING:

People who take nonsteroidal anti-inflammatory drugs (NSAIDs) (other than aspirin) such as ibuprofen may have a higher risk of having a heart attack or a stroke than people who do not take these medications. These events may happen without warning and may cause death. This risk may be higher for people who take NSAIDs for a long time. Tell your doctor if you or anyone in your family has or has ever had heart disease, a heart attack, or a stroke; if

*NIH MedlinePlus the Magazine**NIH MedlinePlus Salud*

the magazine

NIH MedlinePlus

Trusted Health Information
from the National
Institutes of Health

A publication of the National Institutes of Health and the Friends of the National Library of Medicine

[Read the Winter 2011 Issue](#)

[Home](#) [Current Issue](#) [Past Issues](#)

Welcome to the Web site for *NIH MedlinePlus*, the magazine.

Our purpose is to present you with the best in reliable, up-to-date health information. We bring you the latest breakthroughs from NIH-supported research. We feature people from all walks of life talking about how they've handled their health challenges.

Sometimes it's the famous, like Lance Armstrong, Randy Jackson or Mary Tyler Moore. But mostly, it's regular people who have turned to NIH for care and want to share their stories. Often, too, NIH scientists will write about their efforts to cure disease. Lastly, the magazine's lively graphics, fun quizzes and practical tips have been designed with your daily health in mind.

We hope *NIH MedlinePlus* becomes a favorite source of trusted health information for you, whether you read it in your doctor's office, local health center, clinic, or hospital waiting room. Best of all, we hope that you take out a free subscription.

NIH MedlinePlus is produced by NIH, the National Library of Medicine, and the Friends of the National Library of Medicine. [Subscriptions](#) are available free of charge.

With the best of good health to you and your family,

Donald A.B. Lindberg, MD
Director
National Library of Medicine

Help Out For Health!

You can be a part of the Friends' mission to help educate the health, corporate, and public communities about NIH's many vital research initiatives.

If you or your company can help to support and expand the Library's efforts by providing sponsorship and other charitable donations for NIH MedlinePlus magazine's publication and distribution, many more thousands of Americans will gain valuable, free access to the world's best online medical library, medlineplus.gov.

For more information, please visit www.fnlm.org or call (202) 719-8094. Written correspondence may be sent to FNLM, 2801 M Street NW, Washington, DC 20007.
