# What's the **solution?**

If the answer is

**“No”**

that's one less thing you have to worry about.

**Ask:**  
Is there a gun where my child plays?

If there are any doubts about the safety of another home, invite the kids to your house instead.

If the answer is

**“Yes”**

make sure all guns are stored, unloaded, and locked with no access to keys, ideally in a gun safe, with ammunition locked separately.

## What are the **safe** storage options?
